#1 PUTTER IN GOLF™

The Stroke Lab lineup has completely revolutionized the putter category, but we're still obsessed with pushing the boundaries of innovation. That's why we've advanced this remarkable line even further with our new Stroke Lab Ten and Bird of Prey.

TEN

The Stroke Lab Ten provides the balanced weighting you want for more consistency. We've enhanced the forgiveness, alignment, and insert technology in a shape that's inspired by our popular #7 and Indianapolis models. Available in Double Bend and S neck shaft.

Stroke Lab Weighting To Improve Your Stroke

Multi-Material Super High MOI Designs
For More Forgiveness

NEW Microhinge Star Insert For
Outstanding Feel, Sound and Roll

Hi-Definition Alignment

SUPER HIGH MOI DESIGN

The multi-material head construction promotes exceptionally high MOI for more stability. Our new Microhinge Star Insert creates a firmer feel and pleasing sound at impact while providing the same roll characteristics of our Tour-proven White Hot Microhinge. And with hi-def alignment it's easy to find the right setup at address. Our best performance technologies are engineered into the Ten and Bird of Prey with one simple goal: to help every golfer make more putts.
